Notes:

Our hosting service is completely automated, and you can do everything yourself from registration, payment, creating and changing your email addresses to building your own website. We provide you with all the tools and you decide where to draw the line.

1. Your website will be registered once the initial payment is received.
2. The initial payment consists of the setup fee as well as the first month's subscription fee.
3. The content for your website must be provided by you or you can do it yourself.
4. The content should consist of images in JPG format and text in a Microsoft Word document.
5. The setup fee for a basic website is R950.00.
6. The monthly subscription fee is dependant on the package you selected.
7. Free subscription to our mailing list and newsletter.
